

# Benefits to your Company

- ✓ Positive PR opportunities
- ✓ Opportunity for staff praise and recognition
- ✓ Skill development; team leadership, responsibility, commitment
- ✓ Making a mark in the community and ensuring a "let's do it well" employee attitude
- ✓ Promotes good feeling in the work environment
- ✓ Shows your employees you value, support and believe in them as a positive resource to our community

In the past we have been lucky enough to work with **The Body Shop, ANZ, Westpac, Woodside** and **BP** and there's room for many more, including you.

## What Next?

Please contact **Kath Snell** on **9318 5713** to arrange an informal meeting so we can organise your volunteer experience.

# About VTF

Many people in our community need a little help or support to allow them to live comfortably and independently in their own homes. Volunteer Task Force exists to provide that help.

Our clients are the aged, disabled or their carers. The services we provide are gardening, day trips and get togethers, along with cleaning, help with shopping and home maintenance.

In providing these services, our clients are reminded that they are an important, respected and valued part of our community. We could not operate and make the difference we do in our community, without our wonderful team of volunteers.

VTF has been operating in our community for over 35 years. In the last year alone, 4378 clients have benefited from the services.

## What is Volunteer Task Force?

- A fun place for people to get together and make a difference
- The aim of our service is to provide support to enable clients to live independently in their homes

## What can I do?

- Gardening tasks
- Assisting with fun outings
- Shopping
- Office work
- Home handy tasks

## What do I get out of volunteering?

- Opportunity to make a difference in the community
- Excellent work experience
- Learn new skills
- Meet people
- Work in a friendly team environment

## What does VTF offer me?

- We supply all equipment and provide on and off the job training
- Reimbursement for out of pocket expenses
- Insurance cover whilst volunteering

# Group Volunteering

## What can You do?

You can be involved in a tailor made program that suits your company, and benefits everyone involved.

### Examples

- ✓ A corporate gardening morning for your team one weekend. This would allow each employee to enjoy team spirit and the satisfaction of having made a difference.
- ✓ A corporate gardening program to take place during the week eg two hours one afternoon.
- ✓ Maybe your company would be interested in funding an appropriate day trip for some of our clients, where your employees can volunteer their time for social support. We would be happy to organise and run this in partnership with you.

We are happy to supply your company with a one-off volunteer opportunity, however we would encourage on going support, perhaps once a month, or once a quarter, whatever would fit with your schedule.

***Please contact us should you be interested in any of the above, or you have a specific idea for your employees.***
